

University of the Balearic Islands
Palma de Mallorca, Spain
April 1-3, 2020

3rd International Conference on
**Solar Technologies & Hybrid Mini Grids
to improve energy access**

Deadline Call for Papers: October 7, 2019

www.energy-access-conferences.com

April 1-3 2020

Mallorca, Spain

www.energy-access-conferences.com

Topics of the Conference:

1. Technological and design aspects

- 1.1 Pico PV and solar home systems
- 1.2 PV for telecommunication and industrial use
- 1.3 Mini grids
- 1.4 Water pumping
- 1.5 Solar thermal systems
- 1.6 Solar cooking
- 1.7 Solar drying
- 1.8 Solar Cooling
- 1.9 Sea water desalination and purification

2. Market and business aspects

- 2.1 Market development and planning
- 2.2 Customer perspective
- 2.3 Cash sales and PAYGO approaches
- 2.4 Financial and business aspects
- 2.5 Sustainability, maintenance and repair schemes

Organizers:

Universitat
de les Illes Balears

¹Organització de Congressos
Fundació Universitat-Empresa
de les Illes Balears

Sponsors / Exhibitors

The conference is an excellent platform for companies to present their products and services to the participants from all over the world. The University of the Balearic Islands has a nice area for trade and poster exhibition.

We are offering interesting sponsoring packages including exhibition area, but it is also possible to book only an exhibition area.

Just take a look at our packages! Should you have special ideas or wishes how you would like to present the company, just let us know.

We will find an ideal solution for you!
Please contact us!
